

Looking for Camp Dearborn Couples

Cupid has been hanging around Camp Dearborn since it opened in 1948, and countless matches have been made.

In 2008 the City of Dearborn will celebrate the 60th Anniversary of Camp Dearborn, and one of the festivities being planned is a reunion of couples who met at the Camp.

Because these plans are in the earliest stage, a date has not been decided for the event. However, a committee has been formed and they are seeking names and contact information of couples who met at Camp Dearborn.

If you are a member of this group please contact Norene Yuskowatz at 248-553-7784 to give your name and contact information to allow the Camp Dearborn Couple Committee to contact you as the plans develop.
