The City of Dearborn is grateful to the members of the Artists' Society of Dearborn (ASD) for graciously allowing their artwork to be featured in the 2020 Calendar.

Special thanks go to ASD president Jena Sampias for coordinating the submissions from ASD members and assisting with our ability to present lovely and seasonal artwork.

Dearborn’s quality of life is enhanced by the many talented artists and performers who are based here, and by the wide array of cultural arts organizations that support them. The ASD is certainly an important one.

The ASD was established by a small group of artists in 1949. Throughout its history, the Society has maintained its primary goal to enrich the cultural life of the community by stimulating interest in fine arts and crafts.

Exhibits of several art categories are presented in April and November at the Rotunda Gallery of the Henry Ford Centennial Library, as well as a “Summer Showcase.” A mid-summer exhibit is also displayed at the Padzieski Gallery in the Ford Community and Performing Arts Center.

The City of Dearborn’s consolidated budget is $337,728,970. That includes the general fund, which is supported largely by property taxes and pays for the majority of services delivered to you every day. Other budget items include federal and state grants for community improvement, expenses and income from two senior citizen apartment buildings, state-shared taxes for highway repair and resurfacing, and water and sewer fees collected and paid to the Great Lakes Water Authority.

### CITY SERVICES: 33.7 CENTS OF YOUR TAX DOLLAR

The City of Dearborn uses property tax dollars to provide high quality and comprehensive services to residents and businesses. Those City services are offered using just 33.7 cents of every dollar the City collects in property taxes. (The federally-mandated combined sewer overflow (CSO) debt millage equates to 6.8 cents of every dollar and is outlined separately here.) The other 59.5 cents of every tax dollar the City collects in property taxes is directed to other public agencies, like Wayne County and the public schools. Although the City is the collecting agent, it has no authority over how the 59.5 cents is used by other public agencies.

#### How Your City Services Taxes Are Spent

- **Public Safety**: 58.9%
- **Recreation & Culture**: 14.5%
- **Public Works**: 11.9%
- **General Government**: 10.8%
- **Debt Service**: 2.5%
- **Community Improvement**: 1.4%

**100.00% TOTAL**

All listings subject to change. Please check our website.

www.cityofdearborn.org
The City encourages property owners to take pride in their homes and yard so that they add to the appeal of Dearborn neighborhoods. Comprehensive rules for maintaining property can be reviewed at www.cityofdearborn.org. To report property maintenance problems in your neighborhood, call (313) 943-2161.

Grass and Landscaping
- Keep grass and weeds cut to six inches or less. This includes trimming along all fence and property lines and easements.
- Trim trees, bushes, and landscaping so that they are not in the way of people walking on the sidewalk or vehicles driving in the street.
- Gardens for vegetables and fruits must be in the back yard, not the front yard.
- Vegetables and fruit cannot be left on the ground.

No Litter Allowed
- Please pick up litter on your property, even if it doesn't belong to you. Pitch in to keep our City beautiful.

Keep Your Property Free of “Junk”
- Make sure not to store “junk,” like cars parts, motors, appliances, used wood, bricks, or discarded furniture on your lawn or porch.
- Recreational vehicles, trailers, and boats must not be stored on your property.
- No parking on the grass is allowed.

Sidewalks
- Make sure your sidewalks are clear of snow and ice in the winter, and leaves in the fall.
- Don’t park your vehicles across sidewalks.

Report Graffiti
- The City addresses unsightly graffiti promptly. Call Neighborhood Services at 943-2161.

Building Permits
- Check with the Property Maintenance and Development Services Department at 943-2442 to see if your home construction project requires a building permit.
- Permits and inspections ensure that safety is maintained and building codes are followed. Construction work done properly means neighborhood standards are preserved.
- If you believe construction work is taking place without a permit, call 943-2460 during business hours, or 943-2200 at other times.

Tree Preservation
Dearborn has been designated as a Tree City USA for 33 years, and we know residents want to keep it that way. So property owners are advised that they need to contact the city before removing a tree that is at least four feet tall and 16” in diameter. Removing or relocating a tree of that size or larger without city approval is illegal and is punishable by a $500 fine and up to 93 days in jail as a misdemeanor. Fill out a Tree Removal Permit Application at www.cityofdearborn.org or at the Permit Office at the Dearborn Administrative Center, 16901 Michigan Avenue. The application and permit is free. The city will assess the tree or trees in question and work with the homeowner.

Residents and contractors are prohibited from trimming and removing city trees from the easements.

For more information, call (313) 943-3986.

To report suspicious tree-cutting on the weekends, call the non-emergency number of the Dearborn Police Department at (313) 943-2200. To order a tree, call (313) 943-2107.

Rodent Control
Help keep your property free of rodents by following these steps:
- Keep your yard clean. Store trash properly, in trash carts with lids closed.
- Remove and dispose of animal feces daily.
- Eliminate all food sources on your property, including pet food and bird seed.
- Pick up and remove daily any fruit from trees, bushes, or vines that fall to the ground, and remove vegetables from gardens as soon as they ripen.
- Woodpiles, when stored on an unpaved surface, should not be less than 9 inches from the ground.
- Keep grass cut below six inches in height, remove weeds, and keep low hanging trees and bushes trimmed up off the ground at least 12 inches to prevent rats from hiding there.
- Seal cracks or breaks in foundations, and repair holes around pipes, screen doors, windows, vents and other openings.
- Make garages and sheds inaccessible. Use weather stripping. Keep cloth, boxes, and other items conducive to harborage off the floor.
- Do not use commercially available rodenticides. Such poisons are to be handled by professionals only.
Trash Collection
- Trash must be bagged and placed inside of the gray carts.
- Trash must be bagged. Loose trash creates a mess.
- Trash in cardboard boxes will not be picked up.
- Please, do not overfill the gray cart or pack trash in too tightly. Always keep your cart lid closed.
- Trash on ground is a health hazard and may attract rats.

Recycling Collection
- Recycling is mandatory.
- Always use your green cart for recyclable material.
- Do not bag recyclable materials.
- Recycling is picked up every week.

Materials For Your Recycling Carts
- Cardboard (Clean cardboard. Break down and flatten all boxes).
- Paper (junk mail, newspaper, magazines, phone books, and office paper. Not napkins or tissue paper.)
- Household metal (cans made of steel, tin and aluminum, kitchen cookware).
- Household plastic containers. (No. 1-7).
- Glass jars and bottles.
- Styrofoam is NOT recyclable material in Dearborn.
- Any material not mentioned above should not be put in cart.

Collection Day
- Place carts between the sidewalk and the curb in front of your home, three feet apart, after 5 p.m. the night before or by 7 a.m. on your trash collection day.
- Once your trash has been collected, remove your carts from the curb by midnight at the end of your trash day.

Disposing of Seasonal Decorations
- Seasonal decorations, such as Christmas trees, hay/straw bales, pumpkins, squash, gourds, corn stalks and other organics should be bagged and placed inside your gray trash cart.

Yard Waste Disposal
- The curbside yard waste collection program runs from March 9-December 11, 2020.
- Yard waste is grass clippings, weeds, leaves, and trimmings from bushes.
- Place yard waste in paper landscape bags or in your own 20-32 gallon container. Containers must be clearly marked with a yard waste sticker. Free yard waste stickers are available at all Dearborn libraries and the Dearborn Administrative Center.
- Yard waste bags or containers must not be heavier than 60 pounds.
- Do not use plastic bags or cardboard boxes. These will not be collected.

Bulk Items
- Bulk items are collected on your regular trash day at no additional charge.
- Acceptable large, bulky items include most household appliances and furniture, including mattresses, residential freezers and refrigerators, couches, and chairs. Doors must be removed from refrigerators and freezers.
- Smaller material that does not fit in your trash cart must be bagged or bundled.

Special Pick-Ups
Residents concerned about an excessive set-out or debris not accepted by standard curbside service should contact the City’s Sanitation Division at 943-2433 to schedule a special pick up. Special pickups are City-provided services and available Monday-Friday for a fee starting at $60.

Free Monthly Disposal Day
The DPW Yard (2951 Greenfield) is open 8 a.m.-1 p.m. the third Saturday of each month (except for holidays) for residents to bring items not picked up at the curb. Hazardous materials are not allowed. Restrictions apply. For information, call 943-2433.

Household Hazardous Waste Disposal
Wayne County will host several household hazardous waste drop-off days in 2019. For information, call 734-326-3936. Never place hazardous material in your cart or at the curb!

2020 Holiday Trash Collection Delays
In 2020, there will be no trash collection on the following holidays, and the rest of that week’s collection will be one day later than usual. This will occur the week of New Year’s Day, Memorial Day, Labor Day, Thanksgiving, and Christmas Day.

Public Service Days
Keep parked vehicles off the streets 8 am - 4 pm every trash day early March – mid-December.

Public Service Days occur on trash days in your neighborhood beginning March 2 and lasting until Dec. 18, 2020. Public Service Days allow the City to provide services like trash collection, street sweeping, tree trimming, sewer maintenance and loose leaf collection in a safe, effective manner.

What are my responsibilities on Public Service Days?
- You must keep your parked vehicles off the street from 8 a.m. to 4 p.m. on your neighborhood’s Public Service Days, even if your trash has already been picked up.
- You could be ticketed if you park on the street during Public Service Days in your neighborhood. Your vehicle may also be subjected to towing.
- You also must keep your trash cans, yard waste containers and recycling carts off the street during Public Service Days, and throughout the year.

In addition, it is your responsibility not to park on the street in other City neighborhoods during their Public Service Days. Public Service Days are not enforced on weeks in which holidays affect the trash collection schedule.

Visit www.cityofdearborn.org or call 943-2285. For parking issues, call 943-2276.

Information is accurate as of Nov. 11, 2019.

Dear Friends:

I'm pleased that the City of Dearborn is once again presenting this printed calendar for the convenience of our residents, since for decades it's been a handy publication to keep track of important dates and to plan for City events.

This year, on top of the convenience, the calendar also provides a glimpse at the tremendous artistic talent we have in our community. Each month features a work of art from a member of the Artists’ Society of Dearborn. And, I'm happy to report thanks to their efforts, this year's calendar has a very seasonal feel to it, something that residents have requested in the past. It's also worth noting that many of the depicted scenes will be familiar to those regularly out and about in our community.

The Artists’ Society of Dearborn is a member of the Dearborn Community Arts Council, and along with about 40 other organizations focused on visual and performing arts, contributes to the quality of life in our city. A new tradition you may want to learn more about is April Arts Month in Dearborn. That’s when many individuals, groups and institutions come together to celebrate the arts in a special way in our dynamic town.

As always, the calendar includes dates for community events you won't want to miss, and offers notices of public meetings to help you stay informed. Phone numbers to reach us are inside, as is an explanation of how your tax dollars are used to provide the extensive city services you rely on every day.

Enjoy this calendar. It’s a great reminder of the benefits of our community’s strong commitment to supporting the arts.

Sincerely,

John B. O’Reilly, Jr.
