A Residential Satellite Dish Permit is required for dishes over three (3) feet in diameter.

In addition to your application, the following is required:

- Three copies of a current mortgage survey shall be submitted.
  
  In the event that a current mortgage survey does not exist, then three copies of a site plan (1/16 inch = 1 foot OR 1 inch = 20 feet scale) shall be submitted showing the following:
  
  . Dimensions of lot
  . All existing structures on the property
  . Location of proposed satellite dish
  . Distance between proposed satellite dish and all other structures and property lines

- Diameter of proposed satellite dish

- Foundation for proposed satellite dish

- Overall height from grade to top of proposed satellite dish

- Method of screening the proposed satellite dish

- Legible copy of manufacturer’s specifications

- A copy of a signed contract shall be submitted

- Certain neighborhoods require a Property Owner Association and/or a Historical District review. Documentation shall be submitted, if applicable.

The following inspection is required for a Residential Satellite Dish Permit:
